Headmaster's Address

Dear Class of 1987,

The way in which a group handles the challenge of change is a good measure of their growth and maturity. You have experienced much change since 1974, you have risen to the challenge, and now you will direct your attention and energies to new horizons. You have left with us, however, a spirit which will not soon be forgotten.

Yours is a class marked by intellectual curiosity and a desire to gather knowledge. You have looked for and taken advantage of the academic offerings and the faculty as a resource.

Your class is made up of confident individuals who respect each other and enjoy what each brings to the group. You have demonstrated camaraderie and support for each other in your athletic and social events.

You are a class with quiet determination and pride. Your willingness to go the extra distance has shown itself in your daily leadership around campus, in sports, and in whole school events. Your presence has been felt and appreciated.

I wish each of you the very finest of success. I hope for each of you a fine life and a fond rememberance of St. Martin's.

Sincerely

Donald S. Shumaker

The Van Slate Dedication

Mr. Graham presents Mr. and Mrs. Van Slate with a dedication plaque.

On September 30, the Headmaster's House on Airline Highway was formally dedicated to Mr. Ellsworth O. Van Slate, former Headmaster of St. Martin's, and his wife, Lilli, by the Rt. Rev. James B. Brown, Bishop of Louisiana. Mr. Van, who was headmaster from 1951 to 1975, and Mrs. Van Slate were presented a resolution of the Board officially naming the house in their honor by Mr. John Graham, president of the Board of Trustees. Mr. Bailey DeBardeleben, former Board of Trustee chairman, addressed the entire school community gathered on the front lawn of the house.

Mr. Van Slate with his former students.

Dedication of the Van Slate House

Mr. Schwartz with the Van Slates.

An evening of celebration honoring the Van Slates and other long-time supporters of St. Martin's followed the daytime dedication. The couple was presented a Mike Berard watercolor painting of "their house" by Headmaster Don Schwartz and Mr. Jim Burlingame, member of the Board of Trustees. Mr. Burlingame addressed the gathering with a brief history of the school.

A man goes to a doctor. Says he's depressed. Says life seems harsh and cruel. Says he feels all alone in a threating world where what lies ahead seems vague and uncertain. Doctor says treatment is simple. Great Clown Pagliacci is in town tonight. Go and see him. That should pick you up. Man burst into tears. Says, "But doctor . . . I am Pagliacci."

Senior Farewell Address

As we, the class of 1987 receive our diplomas on May 29, we will no longer be St. Martin's students. Each of us will be experiencing changes in our lives. As we encounter new situations and decisions, we will remember our time spent at St. Martin's. We are a class of change. In our Senior year alone, we were presented with a new headmaster, a dress code, and questionable schedule changes. As the leading body of the school, we rose to the occasion, and represented St. Martin's as a Senior class should. Now that we are moving on, we would like to leave the underclassmen and the faculty with the memories of all the wonderful times we have spent together. We would like to thank our teachers for giving us the opportunities to excell and succeed; and, we owe our familiesa great deal for everything they have done for us. Most of all, we leave our love, experience, and knowledge to the upcoming Senior class. Good luck class of 1988, may your class unite and become a family as ours has. Farewell St. M . . .

87 BASKETBALL TEAM EARNS FIRST
STATE PLAYOFF BERTH SINCE 1973

Left to Right: John Moore, Freddie Devall, Mark Contois, Mark Charbonnet, Keith Dublin, Louis Thompson, Micheal DePass, Greg Hammerstrom, Nathan Bush, Steven Huber, Alfredo Mesa, Andy Wittich, Joey Kreutziger, and Chris Beckman.

The 1987 boys' varsity basketball team shattered several long standing school records on their way to an 18-15 overall record and their first state playoff appearance since 1973. Seniors John Moore and Fred Devall captained the team that earned a 7-3 district record in tough 11 AA.

The Saints placed three players on the All-District team selected by opposing coaches. Devall and juniors Chris Beckman and Louis Thompson earned spots on this prestigious roster while Beckman was also named to the *Times Picayune* All-East Bank Team.

"We took a giant step toward putting the program back on its feet," said first year coach Greg Domecq. "Our players earned respect for themselves that St. Martin's hasn't enjoyed for many years."

Though the Saints lose seniors Mark Charbonnet, Mark Contois, Fred Devall, Greg Hammerstrom, and John Moore, they will return a team that should challenge for state honors once again, a welcome relief to the long suffering Saints' faithful.

The 1987 baseball season was cut rather short due to the basketball team's successes. However, under the guidance of Coach Sam Dozier, the team had a seven and eight overall record and a three and seven district record. Alfredo Mesa did a wonderful job and earned the title of MVP. In addition, Chad Cooper was recognized as Most Improved Player. The young team, which consisted of only three seniors, gained a great deal of experience which is sure to be displayed next season.

Outdoor Ed

The St. Martin's Wilderness Skills is geared toward teaching students how to travel gracefully through the outdoors as well as develop their camping, backpacking, and canoeing skills. Canoe designer Pat Moore visited the students to lecture on paddling and canoe design. Over the Christmas vacation, the class took a week long trip to the desert canyons of the Rio Grande. During Spring Break, the students maneuvered through some tough class III and IV rapids on their white water excursion to the Locust Fork and Chatooga River. This year was very productive for the program and the students' skills improved immensely.

Boys' and Girls' State

Left to Right: Cameron Smith, Elisia Shofstahl, Kim Conway, Donald Chin.

Louisiana Boys' and Girls' State is an extremely beneficial program. Juniors and Seniors from all over the state come together to compete for political offices. Elections are on the city, parish, and state levels. Often the hours of the seven day program would run from 6am to 4am the following morning. Cities competed for spirit awards with chants and yells while marching in formation — columns of 3 x 400 people. This year's representatives placed very well:

Cameron was the Attorney General candidate for the Federalist party of Vermillion Parish and also served as the assistant to the mayor.

Elisia was the Lieutenant Governor candidate for the Nationalist party of Pearl Parish as well as the Mayor of New Orleans city.

Kim served as the Federalist Publicity party chairperson and served in the House of Representatives.

Donald was the Nationalist Parish party chairperson and served in the Senate.

God Squad

The God Squad is headed by Fr. Bob Trent, the Dean of Christian Life. It is made of Upper School students who want to be involved in chapel service. Members plan several special services throughout the year and help with regular chapel services. The members not only help plan most chapel services, but they also participate by being acolytes.

The Halo staff informs the student body about social events, sport events, and everything happening throughout the school. The most fun and famous of all the issues put out yearly is the Senior "Baby Picture" issue. Everyone looks forward to reading the Halo newspapers.

We have shared with and learned a lot about each other.

The photography club provides adventure and excitement as students try to "capture the moment" on film.

The major show was on March 29th in the Intercontinental Hotel. Our last show was in the late Spring for the Upper School. We attended the Ladies Leukemia League luncheon and fashion show benefit on December 3rd to observe the models in our own shows. The Fashion Club has also had many speakers give talks to the club on various topics dealing with fashion, modeling, and how to present oneself. We have enjoyed learning more about the fashion world and had fun doing the shows, and we wish the best for the officers next year.

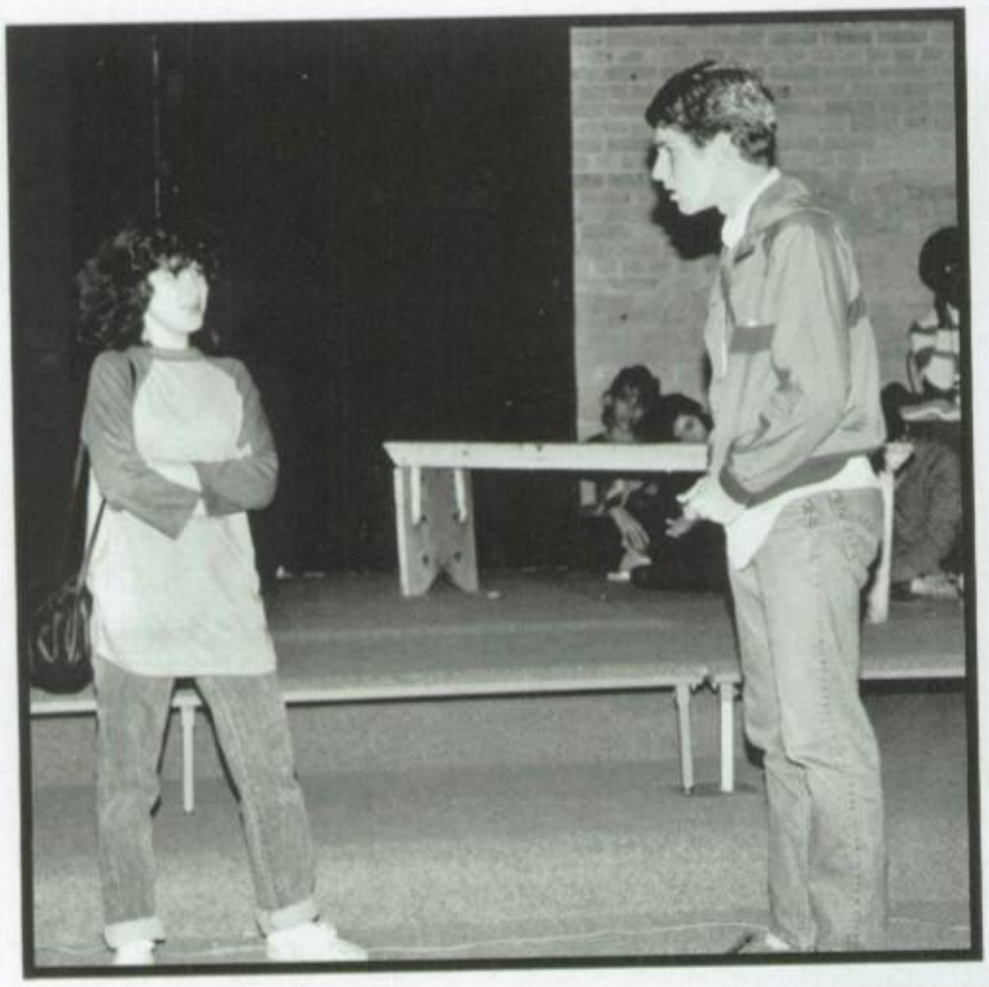
Lower School Christmas Play

On December 18, the Lower School presented a morning filled with Christmas spirit. The Pre-K through first grades performed *Once Upon a Manger*. The second through fourth grades offered *365 Days of Christmas Each Year*. The fifth grade vocal students accompanied by the Upper school Jazz Combo entertained us with *Christmas Jazz*. The fifth grade instrumental students played several Christmas selections.

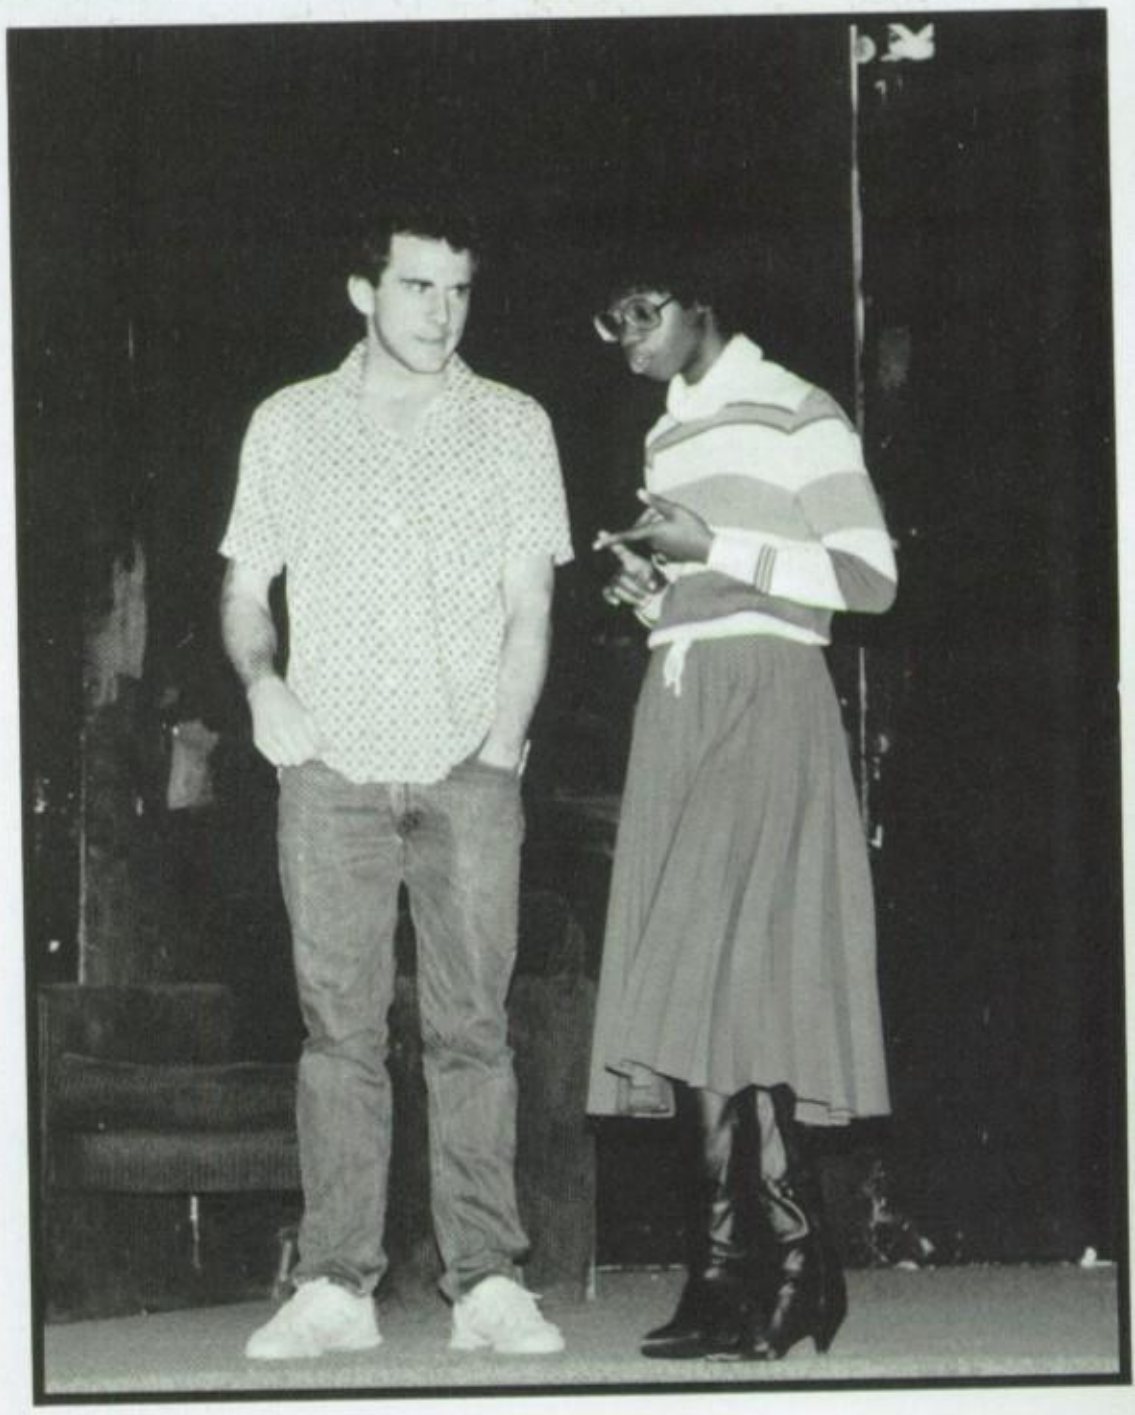
THE PIRATES OF PENZANCE

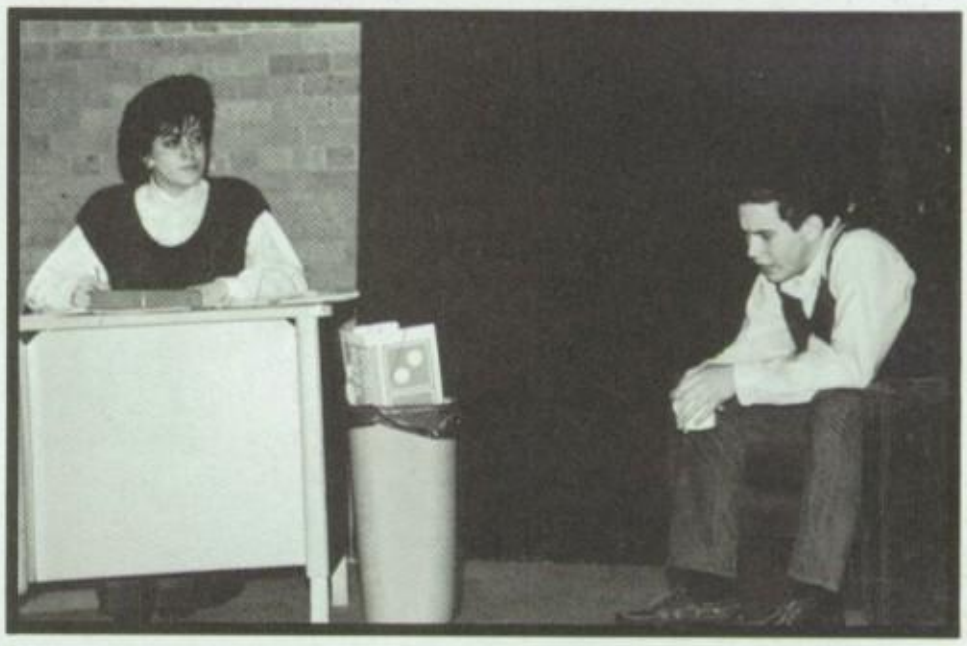
On the evenings of November 20 and 21, Middle School students transformed the Chapel into a fantasy world of shouting pirates marching policemen, and beautiful young wards. The performances of Gilbert and Sullivan's musical "The Pirates of Penzance," were memorable evenings for all. The hard work and dedication of both faculty and students contributed greatly to the play's success. The cast included such talents as Jimmy Leonard, Cavan Bordelon, Roby Arensman, Devline Hartline, Max Berstine, Cate Graham, Christina Vial, Catherine Verlander, and Stephanie Rogers. There were many others who made the play memorable.

Runaways



"Runaway House" is a haven for young people in distress, and it is the setting for this play that deals dramatically and constructively with the growing problems of runaways. It also is the story of Bill and Linda, two young social workers, who work in the program. For them, Runaway House provides a common purpose in life. You were exposed to both worlds — the anguish of the social workers trying to communicate with their young charges and the runaways, rejected, unable to go home but afraid to be alone.





Cats

"Cats" — How can you describe the show? The production of the show began in August — in one word — the show took dedication. The St. M Company consisted of 13 performers and the Combo. The musical was adapted for the student singers and the Combo by Ms. Mary McNeill, the director. Opening night was filled with excitement for all. The response was great. The Company had 2 performances both Friday and Saturday night. Then, they left for Chicago to compete in Musicfest, U.S.A. The Company included Sally Schuber, Dita Andersson, Owen St. Amant, David Elvin, Matt Gaumer, Leslie Fensin, Jones Dieth, Trey Hill, Tyra Robinson, Lutz Schreoder, and Kim Stiebing. The Combo consisted of Jady Mitchell, Cameron Smith, Gabe Whyel, and Chap Munger. HATS OFF TO ALL! BRAVO!

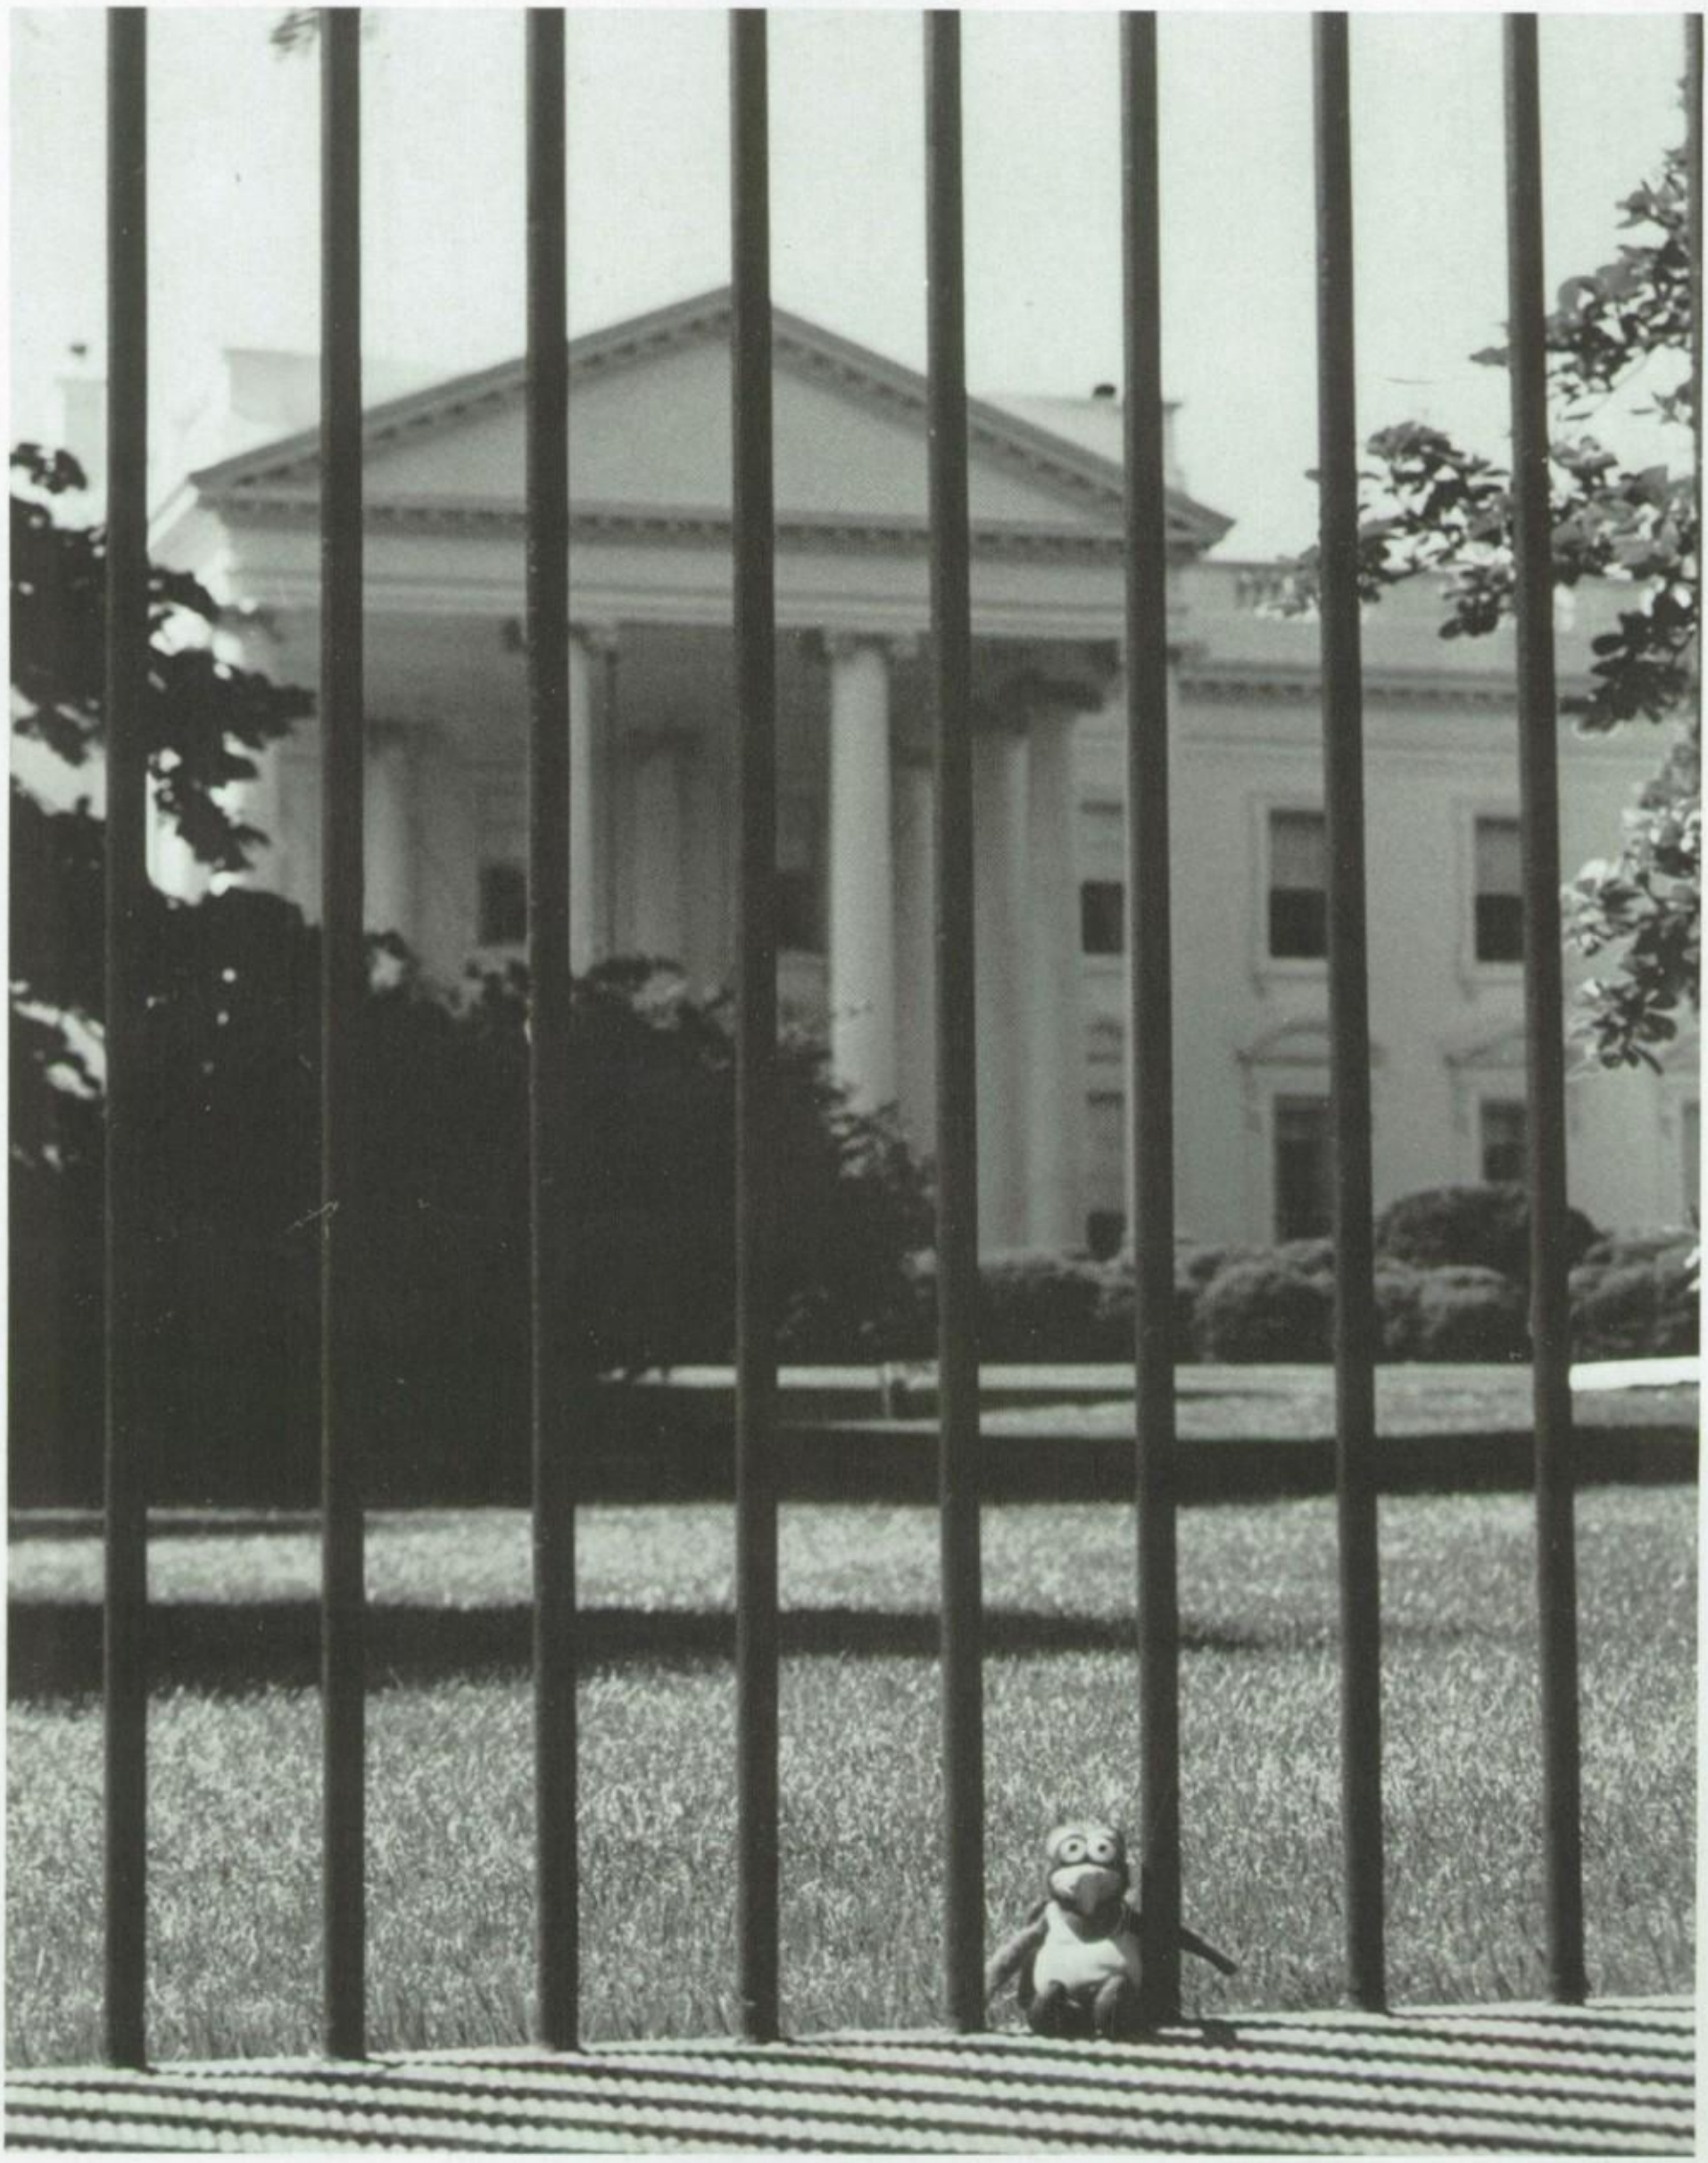
EVENTS

Washington



On May 2, the 8th grade class embarked on a five day tour through the nation's capitol. They visited the famous places such as Williamsburg, the Capitol Building, White House, Smithsonian Institutions, FBI Building, US Mint, Arlington Cemetery, and the Vietnam Memorial. The class of 1991 was the first St. Martin's class to present a wreath to the unknown soldier. At the museums, Williamsburg, and other sites, the students were given freedom to explore whichever areas that interested them most. Some highlights included seeing Ronald Reagan's dog, seeing the bag lady freak out at Roy Rogers, and riding the subway, The Metro, for the first time, which was much cleaner than they had imagined. With a hint of sarcasm, one student noted that being woken up by Mr. Lind at 6:00 am was "just delightful." Even though the classmates became annoyed with each other at times, they learned how to get along with each other much easier. Before they knew it, they arrived at the New Orleans airport where their parents were anxiously waiting for them.

Tom Sawyer

The seventh graders went to the Piner's house across the river to celebrate Tom Sawyer Day. All of the students participated in several activities such as tug-of-war, a bubble blowing contest, swimming, a frog race, a sack race, and swinging in a tree. They also watched a play that the students performed. The seventh graders wished that school could be like this every day.

▲ "I can do that, Mrs. McCormick!"

▲ Double Bubble

▼ "I hope it doesn't pee."

▼ "They had Ray Bans back then — didn't they?"

The loser buys!

"We just ate our Popeye spinach."

"A new straw food diet."

BEASTLY BODACIOUS BUBBLE BLOWERS!!

18 against 1 (Mr. Landry)

"Golly gee, guys, wait up!"

"Either jump, or we'll eat frog legs for dinner!"

▲ "Do they have a dermatologist as Oschner?"

▲ The Royal Flush

▲ "I've got to bring it back to the cafeteria later."

6th Grade OVERNIGHT

The sixth graders had an outrageous time at the overnight. Mr. Breazeale drove them to the Holy Redeemer Conference Center where they swam, played football, and competed in obstacle courses. They played keep away — teachers against students. Later that night, they watched "Outsiders." Ryan Smith described the whole event as "cool." As the sixth graders loaded up the bus to go home, one student told her teacher that they were more like friends to them.

"TO MY DAUGHTER WITH LOVE"

by

Susan Polis Schultz

You are a shining example of what a daughter can be — love and laughter, beautiful and good, honest and principled, determined and independent, sensitive and intelligent. You are a shining example of what every parent wishes their daughter was and we are so very proud of you.

With all our love,

MOM, DAD, &

MICHAEL

Congratulations

Love,

Class of '87, a few years down the road, when I walk up to you at a reunion and say "Whereya'at?," I trust that you will have expanded upon what small beginning we have made with you, and will have developed and broadened your abilities to appreciate and create beauty, so when I say "Whereya'at?" you can answer as a person at peace with himself can inevitably answer: "Everything's everything."

In your stately march through YHIS this school year, you have been a fine and memorable class. At senior chapel, Donald Chin expressed the worry that you guys would be forgotten. Don't worry. Your contributions will last. This school lives on, and it gives life to you.

Godspeed, Class of '87. We love you.
